

MTSBOA 11-12 Mid-State Band and Orchestra Auditions

The directors, students, and parents of the Wilson Central High School Band would like to welcome you to the campus of Wilson Central High School for the 11th and 12th Grade MTSBOA Mid-State Band and Orchestra auditions on December 7th, 2019. We are glad to be hosting this event and are willing to help you in any way possible!

This weekend's auditions are for 11th and 12 grade band and orchestra students (no jazz). Parking is available on both sides and behind the building. EVERYONE should enter through the double doors in the back of the building. This will bring students directly into the registration area. **DOORS WILL NOT OPEN UNTIL 7:30 am FOR STUDENTS.**

We will be providing timpani, marimba, and xylophone. We will NOT provide a concert snare drum or any mallets, sticks, or beaters. Students that plan to audition on the marimba MUST use yarn mallets. Students must have a pitch pipe or some other audible pitch reference for tuning timpani.

The meeting for all judges, monitors, and directors will be held on the second floor in the Library (opposite end of the building from the back entrance) at 7:45 AM. This room will also serve as the directors' lounge and will have hospitality available from 7:30 AM-3 PM. All directors should check in at the Media Center upon arrival (if there are multiple directors, each one must sign in). The Library will not be open to parents or students auditioning.

A full service concession stand will be available to serve your students during the day for BOTH breakfast AND lunch! PLEASE encourage your students to eat at Wilson Central! The concession stand will be located in the main cafeteria.

Please remind your students not to play in the hallways and to keep food in the concessions area. Please instruct your students as to the importance of warming up and eating in designated areas only. Please remind parents that they will not be allowed in audition hallways. Directors will be in the hallways to assist.

Please discuss the registration times and audition procedures with your students as well as the process for posting results so they will know what to expect on audition day. The audition results will be posted on the MTSBOA website www.mtsboa.org

Based on the attached file detailing audition room locations, make sure students know that most of them will visit two different rooms: one for prepared/scales and then sight reading. Monitors will assist in each audition room. WCHS Band will provide many student workers to assist everyone including your students on audition day.

We look forward to seeing you at Wilson Central!
